

## Update on SUAA Office Policy During “Shelter-in-Place” Order

To all SUAA Members,

On Saturday March 21<sup>st</sup>, Governor Pritzker enacted a “shelter-in-place” order for Illinois which has affected SUAA office hours.

For the duration of the order, which will be in place at least through April 7<sup>th</sup>, SUAA will **not** have a full staff working at the office. For most days, there will only be one of our four regular employees at the office, and their hours will be limited.

We will continue to follow our normal routine. If you need any assistance, please do not hesitate to contact us at 217-523-4040 or email us at [SUAA@SUAA.org](mailto:SUAA@SUAA.org).

Keep healthy and safe!
