

In September, CMS announced that beginning January 1, 2023, there will be one medical and prescription drug plan for all TRAIL members; the Aetna Medicare Advantage Prescription Drug (MAPD) PPO Plan. This new plan will replace your current plan, whether you're currently enrolled in the UnitedHealthcare MAPD Plan, or one of the MAPD HMO plans (Aetna, Health Alliance, or Humana).

Since that announcement, several questions we've received have been about your prescription drug coverage. Therefore, we've put together a short list of Frequently Asked Questions, or FAQs, to address your concerns.
